

FORGOTTEN TRACKS Volume Four **IS NOW AVAILABLE!**

A perfect gift for the USMC Birthday and / or any holiday

This is the fourth edition with a large collection of USMC VTA members' stories ... and this time we feature many full color photos of some of the VTA's reunions. As we have done in the previous three volumes of *Forgotten Tracks*, many of the stories and all of the reunion images were previously published in our award winning magazine the Sponson Box. The format and layout of Volume 4 is similar to the design of our previous three *Forgotten Tracks* books. Just so you note copies of this edition will be sent to the Archives of the USMC Museum and Library at Quantico, to the Library of Congress and to the Texas Tech University Vietnam Archives. We want to preserve our heritage.
